MICHAEL KRUSE, MICAH KUBIC

### HON. SAM GRAVES

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 19, 2001*

Mr. GRAVES. Mr. Speaker, I rise today to honor three students from my district: Brett Kauble of Kansas City, Michael Kruse of Platte City, and Micah Kubic of Kansas City for winning the Congressional Award Gold Medal. In obtaining this award they have spent the last two years completing 400 hours of community service, 200 hours of both personal development and physical fitness activities, and a four-night expedition or exploration.

The Congressional Award challenges our nation's young people to realize their full potential through goal setting in the areas of public service, personal development, physical fitness, and exploration. These three students are an outstanding example of the promise and bright future of this nation. The lessons they have learned striving towards this award will serve them well in future pursuits. This award is a testament not only to the talent, commitment, and discipline of these students, but also to their families, communities and schools who supported these students along the way. For their hard work and dedication I congratulate them. I applaud their accomplish-

ment today and I encourage them to always pursue future goals with the same vigor.

### HONORING LEONARD ABESS

### HON. PETER DEUTSCH

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 19, 2001*

Mr. DEUTSCH. Mr. Speaker, I rise today to honor Leonard Abess, a successful banker whose philanthropy during his 97 years of life contributed greatly to the enrichment of the Miami community. It brings me great sadness to report that Leonard passed away on June 3, 2001. Today, I wish to celebrate his life's achievements and mourn the passing of a great man.

Leonard Abess was born in Providence, Rhode Island to Romanian Jews. He moved to Washington D.C. in 1917 to live with an older sister after the death of his mother. He then enrolled in college at New York University where he took accounting classes at night while working full time during the day.

Leonard moved to Miami in 1925 to open an accounting firm inside First National Bank, where he was an independent auditor. Twenty-one years later he co-founded City National Bank, which is now the largest nationally chartered bank based in Florida. He went from making \$25 a week as a young accountant to making millions.

All those who knew Leonard would tell you he never let his riches stop him from caring about people. Leonard Abess despised bigotry and worked so that others could benefit from his philanthropy. He treated everyone with love and dignity.

In 1949, when local hospitals refused to hire Jewish doctors, Leonard and a group of Jewish residents pooled their resources to form Mount Sinai Medical Center in Miami Beach. The hospital, of which Leonard was a founding member and a former chairman of the board of trustees, now has a \$300 million-plus operating budget.

Leonard's public service won him countless accolades. He was the recipient of the Anti-Defamation League's Man of Achievement Award and was also named their chairman emeritus. Leonard was the Humanitarian Award winner from the National Conference of Christians and Jews. He and his wife, Bertha, who died in 1997, were recognized as Philanthropists of the Year by the National Society of Fund Raising Executives.

Leonard Abess was survived by his daughter Linda Ellis; eight grandchildren and seven great-grandchildren. Mr. Speaker, along with his family, the community of Miami will be at a great loss for his wonderful spirit and generous philanthropic contributions.

### IN HONOR OF HIRAM HOUSE

### HON. DENNIS J. KUCINICH

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 19, 2001*

Mr. KUCINICH. Mr. Speaker, I rise today to honor and recognize Hiram House, which will receive a historical marker for the important role it has served in the lives of Ohio youth for over a century.

Hiram House was founded in 1896 as Ohio's first "Settlement House" to address the needs of Cleveland's immigrants and others in poverty. It was one of the first of its kind in the entire nation. For the next 105 years, this organization effectively pursued its mission of providing a quality outdoor experience for youth that promotes character, self-confidence, and leadership.

Today, Hiram House offers a variety of Summer Camps, School Camps, Educational and Adventure Programs, and year-round Group Retreats for children—especially those from the inner city and disadvantaged homes. Following the theme of American History and the Pioneer Spirit, the camp features covered wagons, tepees, log cabins, and a frontier fort to provide children with a glimpse of life on the early frontier.

The Hiram House continues to make a profoundly positive difference in the lives of more than 7,000 children a year. It is my hope that it continues its service to the community for another century and beyond.

My distinguished colleagues, I ask you to join me in honoring Hiram House and the countless individuals who have provided admirable service to the Cleveland area for over a century.

### TRIBUTE TO THE LATE HONORABLE NAT PATTON

### HON. JIM TURNER

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 19, 2001*

Mr. TURNER. Mr. Speaker, I rise in memory of The Honorable Nat Patton, Jr., a man who embodied my hometown of Crockett, Texas in so many ways. Nat recently passed away on February 13, 2001 after the full life of eighty-eight years.

Nat Patton, the son of former U.S. Congressman and Mrs. Patton, was educated in the public schools of my hometown of Crockett, TX. It was his love for the game of baseball that led him to attend Texas A&M University, where he played shortstop for the Aggie Varsity baseball team. During his days at Texas A&M, Mr. Patton was elected president of his sophomore class and yell leader—a high Aggie honor—for the student body.

Nat Patton was destined for public service from his early years. Following in his father's footsteps, Nat had a special interest in politics and received his law degree from Cumberland University in Tennessee.

After passing the State of Texas Bar Exam, Mr. Patton returned to Crockett to enter private practice. He set his law career aside to serve his country in World War II, where he fought under General George S. Patton's Third Army, 89th Division, European Theater. Following the war he returned to Crockett and resumed his law practice.

From 1950 to 1980, Mr. Patton served Houston County as County Attorney. Upon retiring from public service after 30 years, Mr. Patton continued his private law practice.

Mr. Patton and his wife, Eleanor were married for 60 years. Both were active members of their community, participating in the First United Methodist Church of Crockett. During his service to the church Mr. Patton had served as a Sunday School teacher and as a
